Web hosting on a shared teamspace server includes all traffic, SSL-encryption, sevenfold back ups of all data and maintenance of all servers by 5 POINT AG.

Alternatively Enterprise Server licenses can also be installed on separate servers, hosted either by the client himself or by 5 POINT AG. Prices and conditions for leasing a dedicated server through 5 POINT AG are available on request. The flat rate for service and maintenance of a dedicated server by 5 POINT AG is \$ 1,150.00 per year.

Additional services

Installation of license on one of 5 POINT's server:	\$ 250.00
Installation of license on a separate server (including all services):	\$ 2,450.00
Graphical adjustments to client's design:	\$ 1.450.00

Please contact us directly to get more information on customizations and individual offers for your own teamspace Enterprise Server. More information about teamspace in general is also available on the Internet at www.teamspace.com.
